Notes for teachers: Use this test after introducing plural spelling rules and the most common irregular plurals. It targets typical A1 errors such as *childrens*, *mans*, *boxs*, *babys* and singular nouns after numbers or *How many*. Part 3 checks agreement (these/are/they) as well as form, so review any errors there with simple classroom objects. As a follow-up, ask learners to describe their bag or classroom using There are... and How many...?
