Notas para el profesor: Utiliza este test después de presentar was/were junto con expresiones de tiempo pasado como yesterday y last weekend. Se centra en los errores típicos del nivel A1: usar 'were' con he/she/it, 'was' con we/you/they, formar la negativa con 'didn't be' y colocar mal las palabras en las preguntas. Como actividad de seguimiento, pide a los alumnos que escriban cinco frases sobre dónde estuvieron el fin de semana pasado y que entrevisten a un compañero con la pregunta 'Where were you...?'.
