Notas para el profesor: Utiliza este test después de haber trabajado el vocabulario básico de la rutina diaria y la hora. La parte 1 se centra en errores frecuentes de colocación, como 'make homework', 'make a shower' o 'see TV'. La parte 2 evalúa las expresiones de tiempo (in the morning, at night) y la elección de palabras en contexto, y la parte 3, la comprensión lectora de detalles. Como actividad de seguimiento, pide a tus alumnos que escriban cinco frases sobre su propio día con palabras del test.
