My Free Time

Hi! My name is Sofia and I'm fifteen. I'm very busy during the week because I have school every day, but I always try to find time for my hobbies.

My favourite hobby is painting. I usually paint in my bedroom after I finish my homework. I'm not a very good artist yet, but painting makes me feel relaxed. Last month, I joined an art club at the community centre. We meet every Thursday evening, and the teacher gives us useful tips.

At the weekend, I'm more active. On Saturday mornings, I go cycling with my dad. We ride along the river and stop at a small café for hot chocolate. In the afternoon, I sometimes meet my friend Amira. We both love music, so we often listen to new songs or practise the guitar together.

On Sunday evenings, my family plays board games. My little brother always wins, and it's really annoying! But it's also a lot of fun.

Se centra en errores típicos de los hispanohablantes, como decir 'play skiing' en lugar de 'go skiing', 'see TV' en lugar de 'watch TV', 'listen music' sin 'to', usar 'cooker' para referirse a una persona o confundir los adjetivos en -ed y en -ing. Como actividad de ampliación, pide a los alumnos que escriban un párrafo breve sobre su propio tiempo libre usando al menos cinco colocaciones de la Parte 2.
