Notes pour l'enseignant: Utilisez ce test après avoir travaillé les activités quotidiennes et le Present Simple, ou comme test diagnostique en début de cours pour débutants. Il cible les erreurs typiques du niveau A1 : oubli du -s à la troisième personne, orthographe (cries, watches, does), double marquage (doesn't speaks, Does she likes), confusion entre do/does et be, et place de l'adverbe. En prolongement, demandez aux apprenants de corriger les mauvaises réponses et d'écrire cinq phrases sur la routine d'un camarade.
